INNOVATING A NEW WORLD OF EDUCATIONAL EXCELLENCE BY BLENDING VALUES, TRADITION & TECHNOLOGY

RAS College of Education is located on Rewari-Narnaul Road approximately 5 kms from Naiwali Chowk, Rewari. Its foundation stone was laid by Hon'ble Former Governor of Haryana Late Dr. A.R. Kidwai. Since then the college has been pursuing excellence in teacher education. The primary aim of opening Rao Abhay Singh College of Education by the family of Late Sh. Rao Abhay Singh (1st MLA of Rewari & social reformer) was to fulfil his dream of providing good opportunities to the youth of rural area specially the girls for high quality education.

In 10 glorious years of the college, we have made extensive efforts to provide the students with quality education along with ample exposure to co-curricular activities and an overall excellent campus environment. The students continue to give excellent academic results which encourage us to continue giving our best efforts to the college.

The institution is devoted not only to the usual academic pursuits but also to various co-curricular activities. We organised many mega events, seminars, inter-house competitions, workshops etc. for the overall development of the students. It is not possible to capture the zeal of our students and staff members in a few pages, still, we present before you yet another issue of our newsletter to appraise you with our achievements & development in the field of education. We hope that you will enjoy through this activity Galleria.

UNVEILING THE STATUE OF RAO ABHAY SINGH JI
